

This course is an engaging and practical program designed to equip students with fundamental knowledge and skills in securities and investments. The course provides a comprehensive introduction to financial markets, securities analysis, and investment strategies providing financial knowledge that will last a lifetime. Students will gain an understanding of laws and regulations of securities, market dynamics, risk management, portfolio construction and the impact of economic factors on investment decisions. Students will engage in practical exercises and case studies to apply their knowledge to real world scenarios. Students will have the opportunity to explore potential careers in securities, finance, economics, and related fields.

Securities Industry Essentials (SIE) Exam	TBD

EMS ISD provides daily transportation between HCTC and the home campuses. Students may drive personal vehicles to and from HCTC with a signed parent/guardian transportation form and a proof of automobile insurance on file at HCTC. HCTC will issue no-cost parking passes after receiving both items. Students are not allowed to transport other students during the school day.
