

NOTICE OF VOTING ORDER PRIORITY

Pursuant to Section 63.0013, Election Code

An election officer may give _____ to individuals with a _____ that substantially impairs the person's ability to move around.

- x A person assisting an individual with a mobility problem may also, at the individual's request, be given voting order priority.
 - x Disabilities and conditions that may qualify you for voting order priority include paralysis, lung disease, the use of portable oxygen, cardiac deficiency, severe limitation in the ability to walk due to arthritic, neurological, or orthopedic condition, wheelchair confinement, arthritis, foot disorder, the inability to walk 200 feet without stopping to rest, or use of a brace, cane, crutch, or other assistive device.
 - x Voters who wish to be given voting order priority and be accepted for voting before others in line to vote at that polling place may indicate this to any election officer serving at the polling place. The presiding election judge will determine whether the voter and the voter's assistant, if applicable, will be brought forward to the front of the line.
-

Instructions to Election Judge:

1. Post this notice at one or more locations in your polling place where it can be read by person's waiting to vote. Note that it will also be posted on the website of the authority conducting the election and on the Secretary of State's website.
2. The presiding election judge may allow a voter with mobility problems, and any assistant if requested, to be moved forward in line and be processed before other individuals who arrived at the polling place before that voter.
3. The presiding election judge may wait to receive such a request or may check the line for voters who appear eligible for voting order priority and offer them the opportunity to move to the front of the line.
4. An election officer cannot require a voter requesting voting order priority to submit proof of the mobility problem.
