

Financial Aid Application Opt-Out Form

Financial aid applications inform postsecondary institutions' decisions about student eligibility for federal, state, and institutional funds. Financial aid awards can help students pay for their educational expenses after high school.

Each high school senior in a Texas public school district or open enrollment charter school must complete and submit a free application for federal student aid (FAFSA) or a Texas application for state financial aid (TASFA) as a state requirement for graduation. [Texas Education Code §28.0256](#) allows a student to opt out of the financial aid application graduation requirement by submitting a signed form that authorizes the parent or student to decline.

To authorize a student to opt out of the financial aid application graduation requirement, the Financial Aid Application Opt-Out Form must be signed by one of the following:
